PART D - TERMS OF APPLICATION AND PAYMENT

The signator in Part B Item 11A hereby makes application for a cottonseed payment in accordance with 7 CFR Part 1427 with respect to a lost quantity of cottonseed that would have normally resulted from the ginning of eligible crop cotton at the gin identified within this application. As a condition to receiving such payment, the signator hereby represents and agrees as follows:

1. Applicant(s) agrees to share any payment with the producer of the cotton that was the basis of the payment to the extent that the effect of the loss of cottonseed was borne by the producer rather than the gin. To the extent that such funds will go to individual producers, those funds will be considered to have been received by the applicant on behalf of such producers.
2. The weight of lint entered in item 9 (to be used by CCC for determining seed weight for payment) is the 2003 actual lint production of cotton grown in a hurricane affected county or contiguous county calculated according to the regulations at 7 CFR Part 1427, Subpart H. A hurricane affected county is defined as counties or contiguous counties that are included in the geographical area covered by a natural disaster declaration related to Hurricane Katrina, Hurricane Ophelia, Hurricane Rita, Hurricane Wilma or a related condition. Furthermore, the loss of cottonseed at the gin was not compensated by other local, state or Federal Government, private or public insurance or, Disaster Relief Payments.
3. The quantity of cottonseed for payment will be estimated by CCC based on this application and procedures at 7 CFR Part 1427, Subpart H.
4. Provisions of this application are subject to applicable laws and authorities including but not limited to 7 CFR Part 780, Appeal Regulations; and, 7 CFR Part 1427, Cotton.
5. From the date of this application until the earlier of three years after the date of this application the applicant shall keep records and furnish such information and reports relating to this application as may be requested by CCC. Such records shall be available at all reasonable times for an audit or inspection by authorized representatives of CCC, United States Department of Agriculture, or the Comptroller General of the United States. Failure to keep, or make available, such records may, result in the refund to CCC of all payments received, plus interest thereon, as determined by CCC.
6. To receive payment, this application must be legible, accurate, and fully completed for each taxpayer ID. A signed or electronically authenticated original application must be received by FSA no later than the date announced by CCC.
